Certificate of constancy of performance

1301 – CPR – 1756

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

PFEIFER® Slope Stabilization Mesh 175/65/3

with the intended use as follows: retaining of unstable slopes; controlling and preventing rock fall and loose debris flow; soil nailing system; erosion control system along roads, highways and railways.

The assumed working life of PFEIFER® Slope Stabilization Mesh 175/65/3 for the intended use is in accordance with Annex A of EN 10223-3: 2013 when installed in the works.

Placed on the market under the name of

PFEIFER Seil- und Hebetchnik GmbH
Dr.-Karl-Lenz-Strasse 66, 87700 Memmingen
Germany

and produced in the manufacturing plant

PFEIFER Seil- und Hebetchnik manufacturing plant „Kraków“

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in the

ETA 21/0175 – version 01, issued on 12/03/2021

and

EAD 230008-00-0106

under system 1 for the performance set out in the ETA are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 24 March 2021 and will remain valid as long as neither the ETA, the EAD, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.
